

VOICE AWARENESS WORKSHEET

HOLISTIC VOICE WORK

Hi there! I'm happy you decided to join me in this exploration of your voice – and with that, also dive into many other aspects of yourself.

These are questions that can help you gain awareness about your relationship with your voice. That means physical sensations, emotions, thoughts, memories and motivations.

These questions are helpful at any stage of your journey, even if you didn't even start – actually you are starting right now.

So go ahead, take your time and enjoy the experience of self-exploration and radical – yet compassionate – honesty.

I got your back whenever you're ready to be guided in the discovery.
